

MONTE MOTTARONE

Reaching the top

01. At the top

The splendid panorama that can be admired from the summit of Mount Mottarone does not only show the imposing wonder of the Alpine arc, but extends as far as the Po Valley: to the south, beyond Lake Orta and Lake Varese, the

02. Reaching the summit

The splendid panorama that can be admired from the summit of Mount Mottarone does not only show the imposing wonder of the Alpine arc, but extends as far as the Po Valley: to the south, beyond Lake Orta and Lake Varese, the

03. The landscape opens up

The splendid panorama that can be admired from the summit of Mount Mottarone does not only show the imposing wonder of the Alpine arc, but extends as far as the Po Valley: to the south, beyond Lake Orta and Lake Varese, the

04. Inside the forest along the slopes

The splendid panorama that can be admired from the summit of Mount Mottarone does not only show the imposing wonder of the Alpine arc, but extends as far as the Po Valley: to the south, beyond Lake Orta and Lake Varese, the

05. Leaving the shores of the lakes

The splendid panorama that can be admired from the summit of Mount Mottarone does not only show the imposing wonder of the Alpine arc, but extends as far as the Po Valley: to the south, beyond Lake Orta and Lake Varese, the
