

The proposed strategy aims to involve primary and intermediate school to take part of the strategy for Wilhelminapier. Intermediate and primary schools, in a distance of not more than 15 minutes by bike, can be directly involved in the way the can find in Wilhelmina a place where education can meet the activities of the pier.

The pier will offer electic car services fot the ones who come for the hotel and offices. In this way, strenghtening electric station system also the connection to Wilhelmina can be stronger alongside with the diffusion of its program in the other urban systems.
