- old edge
- infrastructures
- relevant transversal sequences

1 The historical bridge of the railways that crosses the Trebbia river.

2 A public park on the Bastione Campagna, overlooking the moat.

3 The empty plot of the former ACNA, near the Costanzo Ciano neighbourhood.

4 The moat and the ancient walls during a heavy rain.

5 The railway bridge during a flood.

6 The Berzolla pavilion, an historical building next to the train station.

7 The former Mercato Coperto, now demolished.

8 The trains and railways, seen from Via Dieta di Roncaglia.

9 The former Consorzio Agrario.
